Chicago Regional Service Committee

July 2, 2026

Dear Fellowship,

Here are the concerns from the Hyatt Senior Sales Manager regarding our recent convention. They've been wonderful partners, and this input is crucial for us to keep improving our events and ensure our relationship with them remains strong for future conventions.

Essentially, the hotel highlighted a few areas where we, as a group, can do better to help maintain our partnership and make things run more smoothly for everyone.

Here's a breakdown of what was shared, along with some adjustments they'll be making for our 2027 convention:

Breakfast Buffet Buzz

A few members arrived close to the end of breakfast at O'H Grill, and while the staff tried their best, the buffet has a strict closing time. Also, a gentle reminder that hotel policy doesn't allow "to-go" containers from the buffet. For 2027, to avoid any last-minute rushes or disappointment, they'll be closing the buffet 30 minutes before the official end time.

Late Lunch

Our Sunday meeting ran a bit past O'H Grill's 2:00 PM lunch closure, leaving some attendees without a meal option. Good news for 2027: if the meeting runs long again, the hotel plans to direct us to their Perks Café for convenient grab-and-go options.

Parking Concerns

Complimentary Confusion: There was some confusion about free parking. There is no complimentary parking, so it's a good idea to budget for parking costs of **\$27.00 per day** when planning your stay.

Gate Gently, Please: The parking gate experienced a few breakdowns over the weekend. They've asked us to be extra careful with it, as any future **repair costs could be added to our group's account**. Any member experiencing issues at the gate should push the service button and ask for the event manager for CRC.

Garage Garbage Cost: The hotel's cleanup crew spent a lot of extra time cleaning the parking garage due to an unusual amount of garbage. Let's all remember to keep this area tidy, **as excessive cleanup needs might also incur extra charges for our group**.

Respecting Hotel Property & Policies

Room Requests: We had a significantly higher number of requests for things like extra blankets, roll-away beds, and toiletries compared to other groups. Following CRC's departure, the hotel had to purchase \$5,000 in items for restocking. To help keep our collective costs down for future conventions, let's be mindful of what we request.

Bathroom Behavior: The Hyatt is a non-smoking hotel, but unfortunately, staff noticed smoking in public bathrooms. They also found an excessive amount of undergarments left in piles, which required daily intensive cleanings due to odors. This isn't just unpleasant — it's a health and cleanliness issue. **If this continues, the hotel will have to charge our group for these extra cleaning services.** Let's all work together to keep our shared spaces clean and respect the non-smoking policy.

Missing Room Items: Some standard items, like shampoo bottles, went missing from a few rooms, including supplies from the housekeeping cart. Just a reminder that these are amenities, **and individual rooms will be charged for any damaged or missing items in 2027.**

Financial Flow for 2027

Credit Card Clarity: It was noted that some members locked their credit cards after checking in, which made it difficult for the hotel to process room reservations, incidental charges, parking, and restaurant meals. To make things smoother for everyone and maintain our good standing, **for 2027, they will require prepayment for the first night and tax, plus a \$50-per-day incidental deposit upfront.**

The hotel management wants to support our convention and our mission. However, they also need to maintain the high standards of their property. **They've made it clear that our collective behavior during the 2027 convention will be a significant factor in whether they can commit to hosting us again in 2028. That behavior includes not selling any products of any kind (e.g., food, popcorn, energy drinks).**

Please feel free to reach out if you have any questions or input.

Thanks in advance,
Angela D.
BOD Events Manager
