V. Chair's Report: Rob A.

Nothing to report

VI. Co-Chair Report: Dan L.

CTA got rid of in-house marketing so now through company called Intersection, all advertising done as packages/campaigns, car card is 35-90\$ per month (they will make sign but bill you for sign), they do do non-profit discount, but must be negotiated, minimum is 5000\$, but with discount and spread over a few months, so cost could be closer to 1000\$ and spread over a few months and train lines. Estimate would cost each area substantially more than if all areas chipped in to bigger project with region, bus stations and benches are also cheaper (~100\$ each). Less legitimate way would be to use slots on buses for CTA updates (no persecution for doing it), taken for light cleaning every night (possible that materials would be removed) and heavy cleaning every 5 days (materials would definitely be removed), so materials would last no longer than 5 days max.

VI. Literature Report: Joe D.

\$67.50 for 30 white booklets and 30 directories

VII. PR Report: Charles G.

Charles schedule is changing, so new PR chair is needed. Dan L. able to cover until replacement is found.
